Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and information to ensure safe usage and optimal performance of the product. Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- **Product Safety:** The Neck Bushing is designed for safe use in precision neck sizing. Always follow the instructions provided to minimize risks.
- **Enhanced Recalls:** In the rare event of a safety issue, recall notices will be issued. Stay informed about product recalls through official channels.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the relevant authorities in your country.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Identification of Hazards:**
 - The Neck Bushing is made from hardened steel and can have sharp edges. Handle with care to avoid cuts.
 - Ensure that the bushing is compatible with your reloading die to prevent malfunctions.
- **Avoiding Hazards:**
 - Always use protective gloves when handling the bushing.
 - Do not use the bushing if it shows signs of damage or wear.
 - Keep the workspace clean and free of obstructions when using the bushing.
- **Age and Audience Specific Warnings:**
 - This product is intended for adult users only. Ensure that it is not accessible to children.

Instructions for Installation and Usage

- **Installation Instructions:**
 - Ensure that the reloading die is securely mounted in a stable position.
 - Insert the Neck Bushing into the die according to the manufacturer's instructions.
 - Tighten any locking mechanisms to ensure the bushing is firmly in place.
- **Usage Instructions:**
 - Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
 - Use the Neck Bushing only for its intended purpose of neck sizing.
 - Regularly inspect the bushing for signs of wear or damage before each use.
 - If the bushing does not fit properly, do not force it. Check compatibility with your equipment.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the bushing is damaged or no longer in use, consider recycling options for metal materials.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to local authorities or the retailer from whom you purchased the product.

Thank you for your attention to these safety instructions. Enjoy using your Neck Bushing safely and effectively!
