

Neck Bushing ⌀12,7-6,58/.2591

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,58/.2591
- Manufacturer: TRIEBEL
- Product no.: EU2017622
- Mfr. No.: 3000240V-06.58
- Diameter mm: 12,7 / 6,58
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.58

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information regarding product safety, usage precautions, and disposal instructions to help you use the Neck Bushing responsibly and effectively.

General Safety Guidelines

- Always inspect the Neck Bushing for any signs of damage or wear before use. Do not use if damaged.
- Ensure that the Neck Bushing is compatible with your reloading die and equipment.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling and using the Neck Bushing.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Contact with Skin:** The Neck Bushing is made from hardened steel; avoid direct skin contact to prevent injury.
- **Proper Handling:** Always handle the Neck Bushing with care to prevent dropping or mishandling, which could cause injury or damage.
- **Use in WellLit Areas:** Ensure you are working in a welllit environment to avoid accidents.
- **Follow Manufacturer Instructions:** Adhere strictly to the manufacturer's guidelines for use and maintenance.
- **Do Not Modify:** Do not alter or modify the Neck Bushing in any way, as this may compromise its safety and performance.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Insert the Neck Bushing into the designated slot of the reloading die, ensuring it is secured properly.
- Check for proper alignment before proceeding to use the Neck Bushing.

2. Usage:

- Set your reloading press to the appropriate settings as per your reloading requirements.
- Insert the cartridge case into the reloading die and apply steady pressure to resize the neck.
- Monitor the operation closely to ensure consistent sizing and avoid oversizing.
- After use, remove the cartridge case and inspect it for any signs of damage.

3. After Use:

- Clean the Neck Bushing with a soft cloth to remove any residue.
- Store the Neck Bushing in a safe, dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not throw the Neck Bushing in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any further inquiries or support regarding the Neck Bushing, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.
