

Neck Bushing ⌀12,7-6,59/.2594

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,59/.2594
- Manufacturer: TRIEBEL
- Product no.: EU2017623
- Mfr. No.: 3000240V-06.59
- Diameter mm: 12,7 / 6,59
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.59

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing by TRIEBEL. This guide provides essential safety instructions and usage guidelines to ensure your safe and effective use of this product. Please read this manual carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing in reloading applications.
- Always inspect the Neck Bushing for any signs of damage or wear before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during handling and use.
- Store the Neck Bushing in a dry and secure location to prevent accidents and damage.
- Be aware of your surroundings and ensure that your workspace is clean and free of hazards.

Specific Safety Precautions for Use

- Only use the Neck Bushing with compatible reloading dies from Triebel Waffenwerkzeuge.
- Follow the manufacturer's specifications for the appropriate diameter and sizing to avoid mishaps.
- Avoid excessive force during use, as this may damage the bushing or the reloading equipment.
- Do not modify the Neck Bushing in any way, as this may compromise its safety and functionality.
- If you experience any unusual resistance or difficulty during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure that your reloading press is clean and properly set up.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Insert the Neck Bushing into the designated die of your reloading press, ensuring it fits securely.
- Tighten the die according to the manufacturer's instructions to hold the bushing in place.

3. Usage:

- Place the cartridge case into the reloading press.
- Operate the press smoothly and steadily to achieve the desired neck sizing.
- After sizing, remove the cartridge case and inspect it for proper sizing.

4. PostUsage Care:

- Clean the Neck Bushing after each use to remove any debris or residues.
- Store the Neck Bushing in its original packaging or a designated storage container.

Disposal Instructions

- Dispose of the Neck Bushing responsibly at a facility that accepts metal recycling.
- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or product support, please contact your local retailer or the manufacturer directly. Ensure you have your purchase details available for reference.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful reloading experience with the Neck Bushing by TRIEBEL.
