

Neck Bushing ⌀12,7-6,68/.2630

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,68/.2630
- Manufacturer: TRIEBEL
- Product no.: EU2017629
- Mfr. No.: 3000240V-06.68
- Diameter mm: 12,7 / 6,68
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.68

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use, please read this safety instruction guide carefully. It complies with the EU General Product Safety Regulation (GPSR) to provide you with essential safety information and usage instructions.

General Safety Guidelines

- Always ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage or defects before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling and using the Neck Bushing.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that your reloading dies are compatible with the Neck Bushing before use.
- Avoid using excessive force when inserting or adjusting the Neck Bushing.
- Do not use the Neck Bushing for purposes other than its intended use in neck sizing.
- Store the Neck Bushing in a safe and dry place when not in use to prevent rust and damage.
- Be cautious of sharp edges when handling the Neck Bushing to avoid cuts or injuries.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure your workspace is clean and free of distractions.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Check that the Neck Bushing is free from any debris or contaminants.
- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.

3. Usage:

- Adjust the Neck Bushing to the desired position as per the specifications.
- Perform neck sizing by following the reloading die's instructions.
- After use, clean the Neck Bushing to remove any residues.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste.
- If the Neck Bushing is damaged beyond use, ensure it is disposed of safely to avoid injury.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact details provided with the product packaging. Ensure you have the product information ready for reference.

Thank you for your attention to these safety instructions. Your safety is our priority.
