

Neck Bushing ⌀12,7-6,71/.2642

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,71/.2642
- Manufacturer: TRIEBEL
- Product no.: EU2017631
- Mfr. No.: 3000240V-06.71
- Diameter mm: 12,7 / 6,71
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.71

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide is designed to provide you with essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that you use the Neck Bushing only for its intended purpose, which is precise neck sizing in reloading applications.
- Always inspect the Neck Bushing for any signs of damage or wear before each use. Do not use a damaged bushing.
- Keep the Neck Bushing out of reach of children and vulnerable individuals. It is not a toy and should only be used by individuals familiar with reloading processes.
- Store the Neck Bushing in a safe and dry place to prevent rust and damage.
- Report any unsafe conditions or product defects to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the Neck Bushing.
- Use the Neck Bushing in a wellventilated area to minimize exposure to any fumes or dust created during the reloading process.
- Follow the manufacturer's instructions carefully when using the Neck Bushing with reloading dies.
- Do not exceed the manufacturer's recommended specifications for use, including pressure limits and compatible materials.
- If you experience any discomfort or adverse reactions while using the product, stop using it immediately and seek medical advice.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is properly set up and securely mounted.
- Insert the Neck Bushing into the appropriate die according to the manufacturer's instructions.
- Verify that the bushing is seated correctly and is secure before proceeding.

2. Usage:

- Prepare your cases for neck sizing by cleaning and inspecting them for damage.
- Insert the case into the reloading press and ensure it is properly aligned with the Neck Bushing.
- Operate the reloading press smoothly and steadily to avoid damaging the case or the bushing.
- After sizing, remove the case and inspect it for any defects.

3. PostUsage:

- Clean the Neck Bushing after use to remove any debris or residue.
- Store the Neck Bushing in its protective case or a designated storage area.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- Do not dispose of the bushing in regular household waste. Check with local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's website or customer support channels for assistance. Always ensure that you are using the latest version of the product manual and safety instructions.

Thank you for prioritizing safety while using the Neck Bushing. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
