

Neck Bushing ⌀12,7-6,76/.2661

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,76/.2661
- Manufacturer: TRIEBEL
- Product no.: EU2017635
- Mfr. No.: 3000240V-06.76
- Diameter mm: 12,7 / 6,76
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.76

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions to ensure the safe use and handling of the product. Please read this manual carefully before using the Neck Bushing to ensure a safe and effective experience.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the Neck Bushing is used only for its intended purpose, which is precise neck sizing.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before each use.
- If you encounter any issues or have safety concerns, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the Neck Bushing.
- Ensure that the work area is clean, dry, and free from hazards to prevent slips and falls.
- Avoid using excessive force during operation to prevent damage to the product and ensure safety.
- Do not modify or alter the Neck Bushing in any way, as this may compromise safety and functionality.
- Store the Neck Bushing in a secure location when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools and equipment ready for installation.
- Clean the area where you will be working to minimize the risk of accidents.

2. Installation:

- Carefully follow the manufacturer's guidelines for installing the Neck Bushing into the reloading die.
- Ensure that the Neck Bushing is securely fitted and properly aligned.

3. Usage:

- Before starting, doublecheck that all components are correctly assembled.
- Use the Neck Bushing as per the manufacturer's specifications, ensuring that you are performing neck sizing as intended.
- Monitor the process closely and stop immediately if you notice any unusual noises or resistance.

4. PostUsage:

- After use, clean the Neck Bushing to remove any debris or residue.
- Store the Neck Bushing in a safe place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing responsibly, following local regulations for metal recycling.
- Do not dispose of the product in general household waste.

- If the Neck Bushing is damaged or no longer usable, ensure it is disposed of in a manner that minimizes environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the safety or usage of the Neck Bushing, please refer to the manufacturer's contact information provided with the product.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for choosing our product, and we wish you a successful reloading experience.
