

Neck Bushing ⌀12,7-6,78/.2669

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,78/.2669
- Manufacturer: TRIEBEL
- Product no.: EU2017637
- Mfr. No.: 3000240V-06.78
- Diameter mm: 12,7 / 6,78
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.78

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose: precise neck sizing in reloading applications.
- Keep the product out of reach of children and vulnerable individuals. This product is not a toy and should only be handled by adults with appropriate knowledge of reloading processes.
- Inspect the Neck Bushing before each use for any signs of damage or wear. Do not use if damaged.
- Follow all local regulations and guidelines related to reloading and firearm safety.

Specific Safety Precautions for Use

- Always wear safety glasses to protect your eyes from debris during the reloading process.
- Use appropriate personal protective equipment (PPE), including gloves, to protect your hands while handling materials and tools.
- Work in a well-ventilated area to avoid inhalation of any dust or particles generated during the reloading process.
- Do not exceed the recommended specifications for the Neck Bushing. Oversizing or improper use may lead to malfunctions or accidents.
- Keep the working area clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your reloading die setup is compatible with the Neck Bushing.
- Gather all necessary tools and materials for the reloading process.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Install the Neck Bushing into the reloading die according to the manufacturer's instructions. Ensure it is securely fastened.

3. Usage:

- Follow the reloading die instructions for neck sizing. Ensure that the Neck Bushing is properly aligned with the case being resized.
- Apply consistent pressure during the sizing process to achieve uniform results.
- After use, clean the Neck Bushing to remove any debris or residue.

Disposal Instructions

- Dispose of the Neck Bushing according to local regulations regarding metal and tool disposal.
- Do not throw the Neck Bushing into regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support, please consult your retailer or the manufacturer for assistance. Ensure you have the product details ready for reference.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the Neck Bushing. Thank you for prioritizing safety in your reloading practices.
