

Neck Bushing ⌀12,7-6,79/.2673

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,79/.2673
- Manufacturer: TRIEBEL
- Product no.: EU2017638
- Mfr. No.: 3000240V-06.79
- Diameter mm: 12,7 / 6,79
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.79

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, a precision tool designed for neck sizing in reloading applications. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the Neck Bushing for any signs of damage or wear before use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling and using the Neck Bushing.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Avoid contact with moving parts:** When using the Neck Bushing with a reloading press, ensure that your hands and clothing are kept clear of moving components.
- **Use in a wellventilated area:** Ensure that the workspace is wellventilated to avoid inhalation of any dust or particles generated during the reloading process.
- **Follow manufacturer instructions:** Always adhere to the instructions provided by the manufacturer of your reloading dies and equipment.
- **Do not modify the Neck Bushing:** Altering the design or functionality of the Neck Bushing can lead to unsafe conditions and equipment failure.
- **Check compatibility:** Ensure that the Neck Bushing is compatible with your specific reloading die model to prevent accidents and ensure optimal performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the Neck Bushing, reloading press, and safety equipment.
- Read the user manuals for your reloading press and dies to understand their operation.

2. Installation:

- Insert the Neck Bushing into the appropriate die according to the manufacturer's instructions.
- Ensure that the Neck Bushing is securely fastened and properly aligned within the die.

3. Usage:

- Place the cartridge case into the reloading press.
- Operate the reloading press slowly and steadily, applying even pressure.
- Monitor the process closely, ensuring that no obstructions or issues arise during operation.
- Once the neck sizing is complete, carefully remove the cartridge case from the press.

4. PostUsage:

- Clean the Neck Bushing after each use to remove any residue or debris.
- Store the Neck Bushing in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal recycling and hazardous waste.
- Do not dispose of the Neck Bushing in regular household waste.
- If the Neck Bushing is damaged or no longer usable, contact your local waste management facility for guidance on proper disposal.

Contact Information for Further Support

For any inquiries related to safety, usage, or product support, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the Neck Bushing. They can assist you with any concerns or questions you may have.

Thank you for your attention to these safety instructions. We hope you enjoy using your Neck Bushing responsibly and effectively.
