

Neck Bushing ⌀12,7-6,80/.2677

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,80/.2677
- Manufacturer: TRIEBEL
- Product no.: EU2017639
- Mfr. No.: 3000240V-06.80
- Diameter mm: 12,7 / 6,80
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.80

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, a precision tool designed for neck sizing in reloading applications. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Neck Bushing by following all instructions. This product is designed for nonfood applications and is compliant with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any potential recalls. Check regularly for updates on the EU's Safety Gate platform.
- **Online Shopping Protections:** If purchased online, ensure that the retailer meets all safety requirements as mandated for physical stores.
- **Vulnerable Groups:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or retailer for EU-based contact information.
- **Rapid Alerts:** Be aware of rapid updates regarding product safety through the Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Direct Contact:** Do not touch the bushing with bare hands during operation to prevent injury.
- **Use Protective Gear:** Always wear appropriate safety gear, including safety glasses and gloves, when handling the Neck Bushing.
- **Inspect Before Use:** Check the bushing for any signs of damage or wear before each use. Do not use if damaged.
- **Proper Storage:** Store the Neck Bushing in a dry and secure location, away from moisture and extreme temperatures.
- **Follow Manufacturer Guidelines:** Adhere to the specifications and recommendations provided by the manufacturer for optimal performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your reloading press is clean and free from debris.
- Gather all necessary tools and materials for the reloading process.

2. Installation:

- Securely attach the Neck Bushing to the reloading die according to the manufacturer's instructions.
- Ensure that the bushing is properly aligned and tightened to prevent movement during operation.

3. Usage:

- Insert the cartridge case into the reloading press.
- Operate the press smoothly and steadily to resize the neck of the cartridge case.
- Monitor the process closely to ensure consistent results and avoid oversizing.

4. PostUse:

- After use, clean the Neck Bushing to remove any residue or debris.
- Store the bushing in its protective case or designated storage area.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the product is damaged beyond repair, check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please consult the retailer from whom you purchased the product for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Neck Bushing. Thank you for prioritizing safety in your reloading practices.
