

Neck Bushing ⌀12,7-6,81/.2681

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,81/.2681
- Manufacturer: TRIEBEL
- Product no.: EU2017640
- Mfr. No.: 3000240V-06.81
- Diameter mm: 12,7 / 6,81
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.81

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing from TRIEBEL. This guide provides important safety instructions and usage information to ensure safe handling and effective performance of the product. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- Do not use the Neck Bushing for any purpose other than its intended use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate safety gear, such as safety glasses, when using the Neck Bushing.
- Avoid contact with sharp edges or burrs that may be present on the Neck Bushing.
- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended sizing parameters (Diameter V mm: 12.7 / 6.81).
- Handle the Neck Bushing with care to avoid dropping or damaging it.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your reloading setup is clean and free from debris.
- Gather all necessary tools and safety equipment before starting.

2. Installation:

- Insert the Neck Bushing into the appropriate reloading die, ensuring it is seated correctly.
- Tighten any securing mechanisms to ensure the bushing remains in place during use.

3. Usage:

- Follow the reloading die instructions for neck sizing procedures.
- Monitor the process closely to ensure consistent sizing results.
- After use, clean the Neck Bushing to remove any residue or contaminants.

Disposal Instructions

- Dispose of the Neck Bushing responsibly, following local regulations for metal waste.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For safety inquiries or additional support regarding the Neck Bushing, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority.
