

Neck Bushing ⌀12,7-6,83/.2689

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,83/.2689
- Manufacturer: TRIEBEL
- Product no.: EU2017641
- Mfr. No.: 3000240V-06.83
- Diameter mm: 12,7 / 6,83
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.83

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. It is made from highquality hardened steel, ensuring durability and accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the Neck Bushing.

General Safety Guidelines

- Always use the Neck Bushing in accordance with the manufacturer's instructions.
- Ensure that the bushing is compatible with your reloading die.
- Regularly inspect the bushing for signs of wear or damage before each use.
- Keep the bushing out of reach of children and vulnerable individuals.
- Do not use the bushing for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Neck Bushing.
- Ensure that your work area is clean, dry, and welllit to prevent accidents.
- Use only tools that are in good condition and appropriate for the task at hand.
- Avoid using excessive force when inserting or removing the bushing from the die.
- Do not modify the bushing or use it in a manner not recommended by the manufacturer.
- If you experience any difficulty or resistance while using the bushing, stop immediately and assess the situation.

Instructions for Installation and Usage

1. **Check Compatibility:** Ensure that the Neck Bushing is compatible with your reloading die from Triebel Waffenwerkzeuge.
2. **Installation:**
 - Remove the existing bushing from your reloading die if applicable.
 - Clean the die and the area around the bushing seat to ensure no debris is present.
 - Carefully insert the Neck Bushing into the die, ensuring it is seated properly.
 - Secure the bushing according to the die's instructions to prevent movement during use.
3. **Usage:**
 - Set up your reloading press according to the manufacturer's guidelines.
 - Insert the case into the die with the installed Neck Bushing.
 - Operate the press smoothly, ensuring that the case is sized evenly.
 - After usage, remove the case and inspect it for proper sizing.
4. **PostUse Care:**
 - Clean the bushing after each use to remove any residue or debris.
 - Store the bushing in a dry place, preferably in its original packaging, to prevent damage.

Disposal Instructions

- Dispose of the Neck Bushing according to local regulations for metal recycling or hazardous waste.
- Do not dispose of the bushing in regular household waste.
- Ensure that the bushing is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided with your product packaging. You can also check for updates or safety information on the EU Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to these guidelines.
