

Neck Bushing ⌀12,7-6,85/.2697

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,85/.2697
- Manufacturer: TRIEBEL
- Product no.: EU2017642
- Mfr. No.: 3000240V-06.85
- Diameter mm: 12,7 / 6,85
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.85

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the Neck Bushing to maximize safety and performance.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the Neck Bushing for any signs of damage, wear, or defects before use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the Neck Bushing.
- Follow all local regulations and guidelines concerning the use of reloading equipment.

Specific Safety Precautions for Use

- Do not exceed the specified dimensions of the Neck Bushing.
- Ensure that the Neck Bushing is properly installed in the reloading die before use.
- Avoid applying excessive force when resizing brass to prevent damage to the Neck Bushing.
- Do not use the Neck Bushing if it appears to be damaged or worn.
- Always maintain a clean working environment to prevent accidents and ensure safe handling of the Neck Bushing.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the die, ensuring it is seated properly.
- Secure the die in your reloading press according to the manufacturer's instructions.

2. Usage:

- Prepare your brass cases by cleaning them thoroughly.
- Insert the brass case into the reloading press.
- Operate the press according to the manufacturer's instructions, applying steady and even pressure.
- After resizing, remove the brass case and inspect it for proper sizing and any signs of damage.

3. PostUsage Care:

- Clean the Neck Bushing after each use to remove any residue or debris.
- Store the Neck Bushing in a dry, safe place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal and hazardous waste.
- Do not dispose of the Neck Bushing in regular household waste.

Contact Information for Further Support

For safety inquiries or additional support regarding the Neck Bushing, please consult your local retailer or manufacturer.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with your Neck Bushing. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for your attention and safe reloading practices!
