

Neck Bushing ⌀12,7-7,10/.2795

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,10/.2795
- Manufacturer: TRIEBEL
- Product no.: EU2017648
- Mfr. No.: 3000240V-07.10
- Diameter mm: 12,7 / 7,10
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.10

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides important safety information and instructions for the proper use of the product. Please read this guide carefully to ensure safe and effective operation.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose, which is neck sizing in reloading processes.
- Always handle the Neck Bushing with care to avoid injury.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Neck Bushing for any signs of wear or damage before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the Neck Bushing and performing reloading tasks.
- Be aware of your surroundings and ensure that your workspace is clean and free of hazards.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Sharp edges: The Neck Bushing may have sharp edges that can cause cuts or injuries.
 - Heavy materials: The Neck Bushing is made of hardened steel and can be heavy, posing a risk of dropping or pinching.
- **Avoiding Hazards:**
 - Always grip the Neck Bushing securely when handling it.
 - Do not attempt to modify the Neck Bushing in any way.
 - Ensure that the Neck Bushing is properly secured in the reloading die before use.
 - Follow all manufacturer instructions for the reloading process to prevent accidents.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the reloading die is clean and free of debris.
 2. Insert the Neck Bushing into the appropriate die according to the manufacturer's instructions.
 3. Secure the Neck Bushing in place to prevent movement during use.
- **Usage:**
 1. Set up your reloading press according to the manufacturer's guidelines.
 2. Place the case to be resized into the press.
 3. Operate the press smoothly and steadily to apply pressure to the case with the Neck Bushing.
 4. Inspect the resized case for proper dimensions and quality.
 5. Clean the Neck Bushing after each use to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Neck Bushing responsibly.
- If the product is damaged or no longer usable, check local regulations for proper disposal methods.
- Do not dispose of the Neck Bushing in regular household waste if it is considered hazardous.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to your retailer or the manufacturer's website for assistance.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you have a safe and enjoyable experience using the Neck Bushing.
