

Neck Bushing ⌀12,7-7,11/.2799

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,11/.2799
- Manufacturer: TRIEBEL
- Product no.: EU2017649
- Mfr. No.: 3000240V-07.11
- Diameter mm: 12,7 / 7,11
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.11

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precision neck sizing in the reloading process. To ensure safe and effective use, please read this safety instruction guide carefully. It includes important safety guidelines, precautions, and instructions for installation and usage, all in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure the product is used in a safe and appropriate manner.
- Be aware of potential hazards associated with the use of this product.
- Store the Neck Bushing in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the Neck Bushing with compatible reloading dies from Triebel Waffenwerkzeuge.
- Ensure that the bushing is properly fitted to avoid misalignment during use.
- Do not exceed the recommended sizing limits to prevent damage to the bushing and ensure safety.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling and using the bushing.
- Do not use the Neck Bushing for any purpose other than its intended use.
- If you experience any difficulties or issues while using the product, stop use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for reloading.
- Ensure that your workspace is clean and free from hazards.

2. Installation:

- Attach the Neck Bushing to the reloading die according to the manufacturer's instructions.
- Ensure that the bushing is securely fastened and properly aligned.

3. Usage:

- Follow the reloading process as outlined in your reloading die instructions.
- Carefully insert the case into the reloading die with the Neck Bushing installed.
- Apply consistent pressure during the neck sizing process to achieve the desired results.
- After use, clean the Neck Bushing to remove any debris or residue.

4. PostUsage:

- Inspect the Neck Bushing for any signs of wear or damage.
- Store the bushing in a safe, dry place away from children.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or worn.
- Check with local authorities for proper disposal methods for metal products.

Contact Information for Further Support

For any inquiries or concerns regarding the Neck Bushing, please reach out to the designated EUbased contact for safety inquiries. Ensure to have your product details ready for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to safety, and happy reloading!
