

Neck Bushing ⌀12,7-7,19/.2831

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,19/.2831
- Manufacturer: TRIEBEL
- Product no.: EU2017653
- Mfr. No.: 3000240V-07.19
- Diameter mm: 12,7 / 7,19
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.19

Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the Neck Bushing by following these guidelines:
 - Always handle the Neck Bushing with care to avoid injury.
 - Use the product only for its intended purpose.
 - Keep the Neck Bushing away from children and vulnerable individuals.
 - Regularly inspect the Neck Bushing for any signs of wear or damage.
 - Store the Neck Bushing in a dry, safe place when not in use.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the Neck Bushing, ensure that:
 - You are familiar with the reloading process and the specific requirements for neck sizing.
 - You are wearing appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- When using the Neck Bushing:
 - Do not exceed the recommended sizing limits.
 - Ensure that the bushing is properly secured in the reloading die before use.
 - Avoid applying excessive force, which may cause damage to the bushing or injury.
- If you notice any unusual sounds or resistance while using the bushing, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Neck Bushing into the die.
- Secure the bushing according to the die manufacturer's instructions.
- Doublecheck that the bushing is properly seated and aligned.

2. Usage:

- Prepare your cases according to standard reloading practices.
- Insert the case into the reloading die with the Neck Bushing installed.
- Operate the press smoothly and steadily to size the neck of the case.
- After sizing, remove the case and inspect it for proper sizing.

3. PostUse Care:

- Clean the Neck Bushing after each use to prevent buildup of residue.
- Store the bushing in a protective case or pouch to avoid damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or worn.
- Check with local waste management authorities for proper disposal methods for metal products.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Neck Bushing, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Thank you for your attention to these important guidelines.
