

Neck Bushing ⌀12,7-7,21/.2839

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,21/.2839
- Manufacturer: TRIEBEL
- Product no.: EU2017655
- Mfr. No.: 3000240V-07.21
- Diameter mm: 12,7 / 7,21
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.21

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel to ensure maximum dimensional accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Always inspect the Neck Bushing for any signs of damage before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use the Neck Bushing only for its intended purpose as specified in the product description.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling the Neck Bushing.
- Ensure that your work area is clean and free from hazards before using the Neck Bushing.
- Be cautious of sharp edges on the Neck Bushing that may cause cuts or injuries.
- Do not exceed the recommended specifications for the Neck Bushing, including the diameter and sizing limits.
- Ensure that the Neck Bushing is securely fitted to the reloading die before use to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring it fits snugly.
- Tighten any locking mechanisms as per the manufacturer's instructions to secure the Neck Bushing in place.

2. Usage:

- Follow the reloading die's instructions for operation.
- Always operate the equipment in a safe manner, ensuring that hands and other body parts are clear of moving parts.
- Monitor the operation closely to detect any unusual noises or performance issues.
- After use, remove the Neck Bushing from the reloading die and clean it to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste if it is damaged or no longer usable.
- Consider recycling options if available in your area.

Contact Information for Further Support
