Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing for your reloading needs. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the Neck Bushing is compatible with your reloading die before use.
- Always handle the Neck Bushing with care to avoid injury.
- Use the Neck Bushing only for its intended purpose.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for signs of wear or damage before each use.
- If the Neck Bushing is damaged, do not use it and dispose of it properly.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Neck Bushing.
- Ensure that your work area is clean and free from distractions while using the Neck Bushing.
- Do not exceed the recommended specifications for neck sizing to avoid damage to your reloading equipment.
- Always follow the manufacturer's instructions for your reloading die when using the Neck Bushing.
- Avoid using excessive force when sizing necks to prevent injury or damage to the bushing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your reloading die is clean and free from debris.

2. Installation:

- Unscrew the reloading die from your press.
- Carefully insert the Neck Bushing into the die, ensuring it is seated properly.
- Secure the die back onto the press, making sure it is tightly fastened.

3. Usage:

- Place the cartridge case into the reloading die.
- Operate the press according to the manufacturer's instructions, applying steady and even pressure.
- After sizing, carefully remove the cartridge case from the die.

4. PostUse:

- Clean the Neck Bushing after each use to remove any residue.
- Store the Neck Bushing in a safe and dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the Neck Bushing is damaged or worn beyond use, consider recycling the material if possible.
- Do not throw the Neck Bushing in regular household waste.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the appropriate contact channels available in your region. Always ensure that you have the latest information regarding product recalls or safety updates through official sources.

By following these guidelines, you can ensure safe and effective use of the Neck Bushing. Thank you for your attention to safety, and happy reloading!
