

Neck Bushing ⌀12,7-7,25/.2854

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,25/.2854
- Manufacturer: TRIEBEL
- Product no.: EU2017658
- Mfr. No.: 3000240V-07.25
- Diameter mm: 12,7 / 7,25
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.25

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, a precision tool designed for neck sizing in reloading applications. This guide provides important safety information to ensure your safe and effective use of the product. Please read and follow these instructions carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in this guide.
- Always inspect the Neck Bushing for any visible damage before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves while handling the Neck Bushing.
- Be aware of your surroundings and ensure that the work area is clean and free of hazards.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp edges may cause cuts or injuries. Handle with care.
 - Improper use may lead to equipment malfunction or injury.
- **Avoiding Hazards:**
 - Always use the Neck Bushing as per the manufacturer's instructions.
 - Do not force the Neck Bushing into any part of the reloading equipment.
 - Ensure that all equipment is properly secured before use.
- **Agesspecific Warnings:**
 - This product is not intended for use by children. Keep away from minors.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading die is clean and free of debris.
 2. Carefully insert the Neck Bushing into the designated slot of the reloading die.
 3. Secure the Neck Bushing according to the die manufacturer's instructions.
- **Usage:**
 1. Adjust the reloading die to the desired neck sizing setting.
 2. Insert the cartridge case into the die with the Neck Bushing installed.
 3. Apply consistent pressure to resize the neck of the cartridge case.
 4. Remove the resized cartridge case and inspect for proper sizing.
 5. Repeat the process as necessary for additional cases.
- **PostUsage:**
 - Clean the Neck Bushing with a suitable cleaning solution to remove any residue.
 - Store the Neck Bushing in a safe and dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing responsibly. Do not throw it in regular household waste.
- If the product is damaged beyond use, consider recycling options available in your area.
- Follow local regulations regarding the disposal of metal products.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided with your purchase. You can also check for recall updates on the EU Safety Gate platform.

Thank you for your attention to these safety guidelines. Your safety is our priority.
