

Neck Bushing ⌀12,7-7,26/.2858

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,26/.2858
- Manufacturer: TRIEBEL
- Product no.: EU2017659
- Mfr. No.: 3000240V-07.26
- Diameter mm: 12,7 / 7,26
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.26

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety information and instructions for the safe use of the product. Please read this guide carefully before using the Neck Bushing to ensure safe handling and operation.

General Safety Guidelines

- Ensure the product is used only as intended for neck sizing in reloading applications.
- Always inspect the Neck Bushing for damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Follow all local regulations and guidelines regarding reloading and ammunition.
- Store the Neck Bushing in a safe, dry place when not in use to prevent rust and damage.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the Neck Bushing.
- Avoid contact with sharp edges or burrs on the product.
- Do not exceed the recommended sizing dimensions as specified by the manufacturer.
- Ensure that the reloading press is securely mounted and stable before use.
- Always follow the manufacturer's instructions for your specific reloading die setup.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Remove the existing sizing die from the reloading press.
- Insert the Neck Bushing into the sizing die according to the manufacturer's instructions.
- Secure the sizing die back into the reloading press, ensuring it is tightened properly.

2. Usage:

- Prepare the brass cases according to your reloading procedure.
- Insert the brass case into the reloading press and ensure it is aligned correctly.
- Gradually apply pressure to the reloading press handle to size the neck of the brass case.
- Inspect the sized brass case for proper dimensions and any signs of damage.
- Repeat the process for additional cases as necessary.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- For guidance on disposal, contact your local waste management authority.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information included with your purchase.

Thank you for your attention to these safety instructions. Proper use and care of the Neck Bushing will ensure a

safe and effective reloading experience.
