

Neck Bushing ⌀12,7-7,30/.2874

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,30/.2874
- Manufacturer: TRIEBEL
- Product no.: EU2017663
- Mfr. No.: 3000240V-07.30
- Diameter mm: 12,7 / 7,30
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.30

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the effective use of this product, please read and follow the safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the Neck Bushing by following all instructions provided.
- Be aware of risks associated with the use of nonfood products, including potential hazards during operation.
- If you purchase this product online, ensure that the seller complies with safety regulations similar to those of physical stores.
- Extra precautions are recommended for vulnerable groups, such as children. Keep the product out of their reach.
- For any safety inquiries, refer to the EU contact point associated with this product.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the Neck Bushing for damage before use. Do not use if damaged.
- Ensure that the bushing is compatible with your reloading die to avoid malfunction.
- Use personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the bushing.
- Avoid wearing loose clothing or jewelry that may get caught during operation.
- Do not exceed the recommended specifications for neck sizing to prevent accidents or product failure.
- Keep the work area clean and welllit to reduce the risk of accidents.

Instructions for Installation and Usage

1. Installation:

- Carefully read the manufacturer's instructions for your specific reloading die.
- Insert the Neck Bushing into the reloading die according to the manufacturer's guidelines.
- Ensure that the bushing is securely in place before proceeding to use.

2. Usage:

- Adjust the reloading press to the appropriate settings for your specific caliber and application.
- Place the cartridge case into the reloading die and engage the press slowly.
- Monitor the process closely to ensure proper sizing and avoid oversizing.
- After use, remove the cartridge case and clean the bushing to maintain its precision.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal recycling.
- Do not dispose of the product in general waste to minimize environmental impact.
- If the bushing is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any additional questions or concerns regarding the Neck Bushing, please refer to the EU contact point associated with this product for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to safety.
