Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose as specified.
- Always handle the Neck Bushing with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Neck Bushing for any signs of damage or wear before use.
- If you notice any defects, do not use the product and contact a qualified professional for advice.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Neck Bushing.

Specific Safety Precautions for Use

- **Avoid Contact with Moving Parts:** Ensure that your hands and clothing are kept clear of any moving parts during operation.
- **Use in a WellVentilated Area:** Ensure adequate ventilation when using the Neck Bushing to avoid inhaling any harmful fumes or particles.
- **Follow Manufacturer Instructions:** Always adhere to the instructions provided by the manufacturer of your reloading equipment.
- **Do Not Modify the Product:** Altering or modifying the Neck Bushing can lead to dangerous situations and voids any warranties.
- **Use Compatible Equipment:** Ensure that the Neck Bushing is compatible with your reloading dies and equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged.
- Carefully remove the existing bushing from the reloading die.
- Insert the Neck Bushing into the die, ensuring it is properly seated.
- Secure the bushing according to the manufacturer's instructions.

2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Insert the brass case into the reloading press.
- Operate the press slowly and steadily to resize the neck of the case.
- Check the neck sizing after each operation to ensure proper fit and dimensions.
- Clean the Neck Bushing after use to maintain its performance.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact details provided with the product packaging or visit their official website.

By following these guidelines, you can ensure a safe and effective experience with your Neck Bushing. Always prioritize safety and reach out for support if you have any questions or concerns.
