

Neck Bushing ⌀12,7-7,32/.2882

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,32/.2882
- Manufacturer: TRIEBEL
- Product no.: EU2017665
- Mfr. No.: 3000240V-07.32
- Diameter mm: 12,7 / 7,32
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.32

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully. It includes important information on general safety guidelines, specific precautions for use, installation and usage instructions, and disposal information.

General Safety Guidelines

- Always read the product instructions before use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local regulations regarding the use and disposal of reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use protective eyewear when operating the neck bushing to prevent eye injuries.
- Ensure that the work area is clean and free from obstructions.
- Do not exceed the recommended dimensions for neck sizing.
- Avoid using the neck bushing with incompatible reloading dies.
- Handle the neck bushing with care to prevent cuts or injuries from sharp edges.
- Store the bushing in a secure location when not in use to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials for reloading.
- Ensure that you have the correct reloading die compatible with the neck bushing.

2. Installation

- Insert the neck bushing into the reloading die as per the manufacturer's instructions.
- Ensure that the bushing is seated properly and securely.

3. Usage

- Place the cartridge case into the reloading die.
- Operate the press to size the neck of the cartridge case.
- Check the dimensions of the resized neck to ensure they meet specifications.
- Repeat the process as necessary for additional cartridge cases.

4. PostUse Care

- Clean the neck bushing after each use to remove any debris or residue.
- Store the neck bushing in a protective case to maintain its integrity.

Disposal Instructions

- Dispose of any damaged or wornout neck bushings in accordance with local regulations.

- Do not dispose of the neck bushing in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact point, which can be found on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective experience while using the Neck Bushing. Thank you for your attention to these important guidelines.
