

Neck Bushing ⌀12,7-7,41/.2917

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,41/.2917
- Manufacturer: TRIEBEL
- Product no.: EU2017672
- Mfr. No.: 3000240V-07.41
- Diameter mm: 12,7 / 7,41
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.41

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure the product is used according to the manufacturer's instructions to minimize risks.
- Regularly inspect the Neck Bushing for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the Neck Bushing only for its intended purpose.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Neck Bushing.
- Avoid direct contact with sharp edges or points on the bushing.
- Do not exceed the recommended sizing limits specified by the manufacturer.
- Ensure the bushing is securely attached to the reloading die before use.
- Do not modify or alter the Neck Bushing in any way.
- Use the product in a wellventilated area to avoid inhalation of any dust or debris generated during use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your workspace is clean and organized.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Inspect the bushing for any visible defects.
- Insert the Neck Bushing into the reloading die, ensuring it fits securely.
- Tighten any locking mechanisms according to the manufacturer's instructions.

3. Usage:

- Adjust the reloading press to the desired settings for neck sizing.
- Insert the case into the reloading die with the Neck Bushing.
- Follow the reloading procedure as outlined in your reloading press manual.
- Monitor the sizing process and stop immediately if you notice any irregularities.

4. PostUse:

- Remove the Neck Bushing from the reloading die after use.
- Clean the bushing with a soft cloth to remove any debris or residue.
- Store the Neck Bushing in a safe, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the Neck Bushing according to local regulations for metal waste.
- Do not throw the product in regular household waste.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. Your safety is paramount when using the Neck Bushing. Please ensure you follow all guidelines and precautions for a safe and effective reloading experience.
