Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines important safety guidelines, precautions, and instructions for installation and usage.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the Neck Bushing for any signs of damage before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Do not modify or alter the Neck Bushing in any way.
- Follow all manufacturer instructions and guidelines when using this product.
- In case of any incidents or accidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Neck Bushing.
- Ensure that your work area is clean and free from distractions.
- Always secure the reloading die and components properly before use to avoid accidents.
- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Avoid any direct contact with moving parts during operation to prevent injury.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged before installation.
- Insert the Neck Bushing into the designated area of the reloading die.
- Secure the Neck Bushing according to the manufacturer's instructions, ensuring a snug fit.
- Doublecheck that the Neck Bushing is properly installed before proceeding.

2. Usage:

- Adjust the reloading die according to the specifications for your specific caliber.
- Place the cartridge case into the reloading die and engage the press to begin sizing.
- Operate the press smoothly and steadily to ensure even sizing.
- After sizing, remove the cartridge case and inspect it for proper dimensions.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the product is damaged or no longer needed, do not throw it in regular waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Neck Bushing, please refer to the manufacturer's contact details. Ensure that you have the product information available for reference.

Thank you for following these safety instructions. Your safety is our priority, and we wish you a successful

reloading experience with the Neck Bushing.
