

## Neck Bushing &#x2300;12,7-7,43/.2925

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

### Attributes

- Name: Neck Bushing &#x2300;12,7-7,43/.2925
- Manufacturer: TRIEBEL
- Product no.: EU2017674
- Mfr. No.: 3000240V-07.43
- Diameter mm: 12,7 / 7,43
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.43

# Neck Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the Neck Bushing, a highquality tool designed for precise neck sizing in reloading applications. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the Neck Bushing.

## General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose as specified in this guide.
- Always handle the Neck Bushing with care to avoid injury.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Neck Bushing.
- Do not exceed the recommended specifications for the Neck Bushing, including the maximum diameter and pressure limits.
- Ensure that the reloading press is stable and secure before using the Neck Bushing.
- Avoid using the Neck Bushing in wet or damp conditions to prevent slipping and potential injuries.
- Do not attempt to modify or alter the Neck Bushing in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading die is clean and free from debris.
- Insert the Neck Bushing into the appropriate reloading die, ensuring a snug fit.
- Secure the die in the reloading press according to the manufacturer's instructions.

### 2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Adjust the reloading press to the desired height for neck sizing.
- Insert the brass case into the die and apply steady pressure to size the neck.
- Carefully remove the sized brass case from the die after sizing is complete.
- Clean the Neck Bushing after use to maintain its precision and longevity.

## Disposal Instructions

- Dispose of any damaged or wornout Neck Bushings in accordance with local waste disposal regulations.
- Do not dispose of the Neck Bushing in general household waste. Instead, follow your local recycling guidelines for metal products.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the Neck Bushing, please reach out to the designated EU contact point for product safety information.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of the Neck Bushing. Always prioritize safety and report any concerns regarding the product to the appropriate authorities. Thank you for your attention to these important safety measures.
