Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read and follow the instructions and safety guidelines provided in this manual.

General Safety Guidelines

- Always handle the Neck Bushing with care to avoid injury.
- Ensure that the product is used only for its intended purpose.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the Neck Bushing.
- Avoid using the Neck Bushing if you are under the influence of alcohol or drugs.
- Do not exceed the manufacturer's recommended specifications for use.
- Ensure that the reloading setup is stable and secure before using the Neck Bushing.
- If you notice any unusual sounds or performance issues during use, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is compatible with the Neck Bushing.
- Carefully insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Tighten the reloading die securely to prevent movement during operation.

2. Usage:

- Follow the reloading die manufacturer's guidelines for operation.
- Use the Neck Bushing to size the neck of the cartridge case as specified.
- Maintain a steady and controlled motion while operating the reloading press.
- After use, remove the Neck Bushing and clean it to remove any debris or residue.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the Neck Bushing in general waste if it is damaged or broken.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For safety inquiries or support regarding the Neck Bushing, please contact your local distributor or the manufacturer directly. Ensure you have the product details available for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using

the Neck Bushing in your reloading activities.
