

Neck Bushing ⌀12,7-7,45/.2933

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,45/.2933
- Manufacturer: TRIEBEL
- Product no.: EU2017676
- Mfr. No.: 3000240V-07.45
- Diameter mm: 12,7 / 7,45
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.45

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the safe use of this product, please read and follow all instructions and guidelines outlined in this document.

General Safety Guidelines

- Ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Always inspect the Neck Bushing for damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate safety gear, such as eye protection, when handling and using this product.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended sizing limits of the bushing.
- Avoid using the bushing with incompatible reloading dies.
- Ensure that the bushing is securely mounted before use to prevent accidents.
- Handle the bushing with care to avoid sharp edges and potential injuries.
- Do not modify the bushing in any way as this may compromise safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your work area is clean and welllit.

2. Installation:

- Remove any existing bushing from your reloading die.
- Insert the Neck Bushing into the die, ensuring it fits snugly.
- Secure the bushing in place according to your die's specifications.

3. Usage:

- Use the bushing only with compatible brass cases.
- Follow the specific reloading procedures for your equipment.
- Regularly check the bushing during use for signs of wear or damage.

4. PostUse:

- Clean the bushing after each use to maintain performance.
- Store the bushing in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to safety!
