Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure the Neck Bushing is compatible with your reloading die before use.
- Inspect the product for any signs of damage or wear before each use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as outlined in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, during use.
- Avoid using excessive force when inserting or removing the bushing to prevent damage.
- Ensure that your workspace is clean and free from any obstructions that might cause accidents.
- Do not modify the Neck Bushing in any way as this may lead to safety hazards.
- If you experience any unusual behavior while using the product, stop using it immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure your reloading die is clean and free from debris.
- Gather all necessary tools and materials before starting.

2. Installation:

- Carefully insert the Neck Bushing into the neck sizing die.
- Ensure it is seated properly and securely.

3. Usage:

- Follow the manufacturer's instructions for your specific reloading setup.
- Place the cartridge case into the die and apply even pressure to size the neck.
- Avoid excessive force; if resistance is felt, stop and check for any obstructions.

4. PostUse Care:

- After use, clean the Neck Bushing to remove any residues.
- Store the bushing in a safe, dry place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable Neck Bushings in accordance with local regulations for metal waste.
- Do not dispose of the product in general household waste to ensure environmentally responsible disposal.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided with your product. Ensure you have your product details ready for efficient assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and following these instructions will help ensure a safe and effective reloading experience with the Neck Bushing.
