

Neck Bushing ⌀12,7-7,53/.2965

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,53/.2965
- Manufacturer: TRIEBEL
- Product no.: EU2017681
- Mfr. No.: 3000240V-07.53
- Diameter mm: 12,7 / 7,53
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.53

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose: precise neck sizing in reloading applications.
- Always follow the manufacturer's instructions and guidelines to prevent accidents.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to avoid accidental harm.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the Neck Bushing.
- Ensure that the reloading die is compatible with the Neck Bushing before use.
- Use the Neck Bushing only with recommended tools and equipment to avoid injury.
- Avoid using excessive force during operation to prevent damage to the bushing or the reloading die.
- Store the Neck Bushing in a dry place, away from moisture and extreme temperatures, to maintain its integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your workspace is clean and organized.

2. Installation:

- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Ensure that the bushing is securely in place and properly aligned.

3. Usage:

- Follow the reloading process as per your specific reloading die instructions.
- Adjust the Neck Bushing settings as needed for your specific cartridge requirements.
- Monitor the process closely to ensure safety and accuracy.

4. PostUse:

- After use, clean the Neck Bushing to remove any debris or residue.
- Store the Neck Bushing in its original packaging or a designated storage area to prevent damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of in regular household waste if the product is damaged or contains hazardous materials.
- Consider recycling options for metal components, if applicable.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please contact the manufacturer or your retailer for assistance. Ensure you have the product information at hand for a more efficient response.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your Neck Bushing responsibly!
