

Neck Bushing ⌀12,7-7,55/.2972

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,55/.2972
- Manufacturer: TRIEBEL
- Product no.: EU2017682
- Mfr. No.: 3000240V-07.55
- Diameter mm: 12,7 / 7,55
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.55

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Inspect the product before each use for any signs of wear or damage. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Store the Neck Bushing in a dry, safe place when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Avoid using excessive force when sizing necks; this can lead to equipment failure or injury.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using the Neck Bushing.
- Do not exceed the specified diameter limits of the Neck Bushing during use to prevent damage to the product and ensure safety.
- Ensure that the work area is welllit and free from obstructions to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the reloading press is securely mounted and stable.

2. Installation:

- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Ensure it is firmly seated and properly aligned.

3. Usage:

- Adjust the reloading press settings according to the specifications for neck sizing.
- Insert the cartridge case into the die and apply smooth, steady pressure to size the neck.
- Check the dimensions of the neck after sizing to confirm accuracy.

4. PostUsage:

- Clean the Neck Bushing after each use to remove any debris or residue.
- Store the Neck Bushing in its original packaging or a protective case to prevent damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for support.

By following these guidelines and instructions, you can ensure a safe and effective experience with the Neck Bushing. Thank you for your attention to safety!
