

Neck Bushing ⌀12,7-7,67/.3020

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,67/.3020
- Manufacturer: TRIEBEL
- Product no.: EU2017685
- Mfr. No.: 3000240V-07.67
- Diameter mm: 12,7 / 7,67
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.67

Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information about product safety, usage precautions, and disposal.

General Safety Guidelines

- Ensure safe use of the Neck Bushing by following these guidelines:
 - Use the product only for its intended purpose as specified in this guide.
 - Keep the product out of reach of children and vulnerable individuals.
 - Regularly inspect the Neck Bushing for any signs of wear or damage before use.
 - Always wear appropriate safety gear, including eye protection, when using reloading equipment.
 - Be aware of your surroundings and ensure a safe working environment when using the Neck Bushing.

Specific Safety Precautions for Use

- To avoid potential hazards while using the Neck Bushing, adhere to the following precautions:
 - Do not exceed the recommended sizing limits of the Neck Bushing.
 - Ensure that the Neck Bushing is properly installed in the reloading die before use.
 - Avoid using the product if it shows any signs of damage or excessive wear.
 - Do not modify or alter the Neck Bushing in any way.
 - Follow the manufacturer's instructions for your specific reloading die to ensure compatibility.

Instructions for Installation and Usage

- Follow these steps for safe installation and usage of the Neck Bushing:

1. Installation:

- Ensure your reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the designated area of the reloading die.
- Tighten any securing mechanisms to hold the Neck Bushing in place.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them.
- Insert the cartridge case into the reloading die with the installed Neck Bushing.
- Operate the reloading press according to the manufacturer's instructions.
- After sizing, remove the cartridge case and inspect it for proper sizing.

3. PostUse:

- Clean the Neck Bushing after use to remove any residue or debris.
- Store the Neck Bushing in a safe and dry location when not in use.

Disposal Instructions

- To dispose of the Neck Bushing safely:
 - Follow local regulations for metal recycling.

- If the product is damaged beyond use, dispose of it in accordance with hazardous waste guidelines if applicable.
- Do not dispose of the Neck Bushing in regular household waste.

Contact Information for Further Support

- For any questions or concerns regarding the Neck Bushing, please refer to the product packaging for contact details or consult with your retailer.

By following these safety instructions, you will ensure the safe and effective use of the Neck Bushing. Thank you for your attention to these important guidelines.
