

Neck Bushing ⌀12,7-7,70/.3031

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,70/.3031
- Manufacturer: TRIEBEL
- Product no.: EU2017686
- Mfr. No.: 3000240V-07.70
- Diameter mm: 12,7 / 7,70
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.70

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, designed for precise neck sizing in reloading applications. This guide provides essential safety instructions and best practices to ensure safe and effective use of the product. Please read this document carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose.
- Always inspect the product before use for any signs of damage or wear.
- Follow all instructions provided in this guide to minimize risks associated with improper use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- If you encounter any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

• Potential Hazards:

- Sharp edges may cause cuts or injuries.
- Improper handling may lead to damage of the bushing or equipment.

• Avoiding Hazards:

- Always handle the Neck Bushing with care, using protective gloves if necessary.
- Store the Neck Bushing in a safe place when not in use to prevent accidental injuries.
- Do not use the bushing if it shows signs of damage, such as cracks or excessive wear.
- Ensure that all reloading equipment is compatible with the Neck Bushing before use.

Instructions for Installation and Usage

• Installation:

1. Ensure your reloading die is clean and free from debris.
2. Carefully insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
3. Secure the bushing in place, ensuring it is properly aligned.

• Usage:

1. Set your reloading press according to the ammunition specifications.
2. Insert the cases to be neck sized into the press.
3. Operate the press smoothly and steadily to avoid damaging the bushing or case.
4. After use, remove the Neck Bushing and clean it as per the maintenance instructions.

Disposal Instructions

- When disposing of the Neck Bushing, ensure that it is done in accordance with local regulations.
- If the product is damaged beyond repair, recycle or dispose of it responsibly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's support resources. Ensure you have the product details available for a quicker response.

By following these guidelines, you can safely and effectively use the Neck Bushing for your reloading needs. Always prioritize safety and consult this guide whenever necessary. Thank you for your attention to these important safety instructions.
