

Neck Bushing ⌀12,7-7,75/.3051

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,75/.3051
- Manufacturer: TRIEBEL
- Product no.: EU2017689
- Mfr. No.: 3000240V-07.75
- Diameter mm: 12,7 / 7,75
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.75

Neck Bushing Safety Instruction Guide

Introduction

Thank you for purchasing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Inspect the Neck Bushing before each use for any signs of damage or wear. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the Neck Bushing only for its intended purpose as specified in this guide.
- Report any unsafe conditions or accidents related to this product to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Neck Bushing.
- Ensure that your work area is clean and free from clutter to avoid accidents.
- Do not exceed the recommended specifications for the Neck Bushing, including diameter limits.
- Avoid using the Neck Bushing with incompatible reloading dies or equipment.
- Be cautious of sharp edges and burrs on the Neck Bushing; handle with care to prevent cuts or injuries.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for the reloading process.
- Ensure your workspace is welllit and organized.

2. Installation:

- Insert the Neck Bushing into the appropriate reloading die, ensuring it fits snugly.
- Confirm that the bushing is properly aligned and securely fastened.

3. Usage:

- Follow the reloading die manufacturer's instructions for neck sizing.
- Monitor the process closely to ensure consistent sizing and avoid oversizing.
- After use, remove the Neck Bushing from the die and clean it to remove any debris or residue.

4. PostUse:

- Store the Neck Bushing in a safe and dry location when not in use.
- Regularly inspect the bushing for wear and replace it as necessary.

Disposal Instructions

- Dispose of the Neck Bushing responsibly, following local regulations for metal recycling.
- Do not dispose of the Neck Bushing in regular household waste.

Contact Information for Further Support

For any inquiries related to safety, usage, or support, please refer to the manufacturer's contact information provided with your product packaging.

Please keep this safety instruction guide for future reference and ensure that anyone using the Neck Bushing is aware of these guidelines. Thank you for your attention to safety and responsible use.
