

Neck Bushing ⌀12,7-7,77/.3059

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,77/.3059
- Manufacturer: TRIEBEL
- Product no.: EU2017690
- Mfr. No.: 3000240V-07.77
- Diameter mm: 12,7 / 7,77
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.77

Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing 12.77.77/.3059. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose.
- Always inspect the product for any signs of damage before use.
- Keep the Neck Bushing out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Be aware of potential hazards associated with reloading processes, including the handling of ammunition and materials.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the Neck Bushing.
- Ensure that your work area is wellventilated to avoid inhalation of dust and fumes.
- Do not exceed the recommended specifications for the Neck Bushing, including diameter and application limits.
- Avoid using the Neck Bushing if you are under the influence of drugs or alcohol.
- Store the Neck Bushing in a secure location when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials before starting the installation.
- Ensure that your reloading press is compatible with the Neck Bushing.

2. Installation

- Clean the reloading die and the Neck Bushing to remove any debris or residue.
- Insert the Neck Bushing into the reloading die following the manufacturer's instructions.
- Tighten the bushing securely to prevent movement during use.

3. Usage

- Adjust the reloading press according to the specifications provided by the manufacturer.
- Insert the case into the reloading die with the Neck Bushing installed.
- Operate the reloading press smoothly to achieve precise neck sizing.
- Monitor the process closely to ensure consistent results.

4. PostUse Care

- After use, clean the Neck Bushing and reloading die to maintain performance.
- Store the Neck Bushing in a dry and secure location.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the product is damaged beyond repair, recycle it where possible or dispose of it in a responsible manner.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Neck Bushing, please contact the manufacturer or your local distributor. Ensure that you have the product details ready when seeking assistance.

Please remember to report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority, and we appreciate your cooperation in following these guidelines.
