

## Neck Bushing &#x2300;12,7-7,85/.3091

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

### Attributes

- Name: Neck Bushing &#x2300;12,7-7,85/.3091
- Manufacturer: TRIEBEL
- Product no.: EU2017693
- Mfr. No.: 3000240V-07.85
- Diameter mm: 12,7 / 7,85
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.85

# Safety Instruction Guide for Neck Bushing

## Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the Neck Bushing to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose: precise neck sizing in reloading applications.
- Always inspect the Neck Bushing for any signs of damage before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Follow all manufacturer instructions and guidelines for safe use and maintenance of the Neck Bushing.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The Neck Bushing is made of hardened steel and can cause injury if mishandled.
- Sharp edges may exist; handle with care to avoid cuts.

- **Avoiding Hazards:**

- Always handle the Neck Bushing with care to prevent dropping or mishandling.
- Do not force the Neck Bushing into any equipment; ensure compatibility before use.
- Use the Neck Bushing in a welllit area to avoid accidents.
- Ensure that your workspace is clean and free of clutter to prevent tripping or accidents.

- **Agesspecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that any individuals using the Neck Bushing are trained in its safe use.

## Instructions for Installation and Usage

- **Installation:**

- Ensure the reloading die is clean and free of debris before installation.
- Insert the Neck Bushing into the die with the precisionground internal surface facing the cartridge neck.
- Secure the Neck Bushing in place as per the die manufacturer's instructions.

- **Usage:**

- Adjust the die to the desired neck sizing depth as per your reloading specifications.
- Place the cartridge in the die and apply consistent pressure to size the neck.
- Inspect the sized cartridge for proper fit and dimensions after use.
- Clean the Neck Bushing regularly to maintain its precision and performance.

## **Disposal Instructions**

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not dispose of the Neck Bushing in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for additional resources.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Neck Bushing responsibly!
