

Neck Bushing ⌀12,7-7,88/.3102

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,88/.3102
- Manufacturer: TRIEBEL
- Product no.: EU2017695
- Mfr. No.: 3000240V-07.88
- Diameter mm: 12,7 / 7,88
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.88

Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure you are familiar with the product and its intended use before operation.
- Always use the Neck Bushing in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the Neck Bushing.
- Ensure that the work area is clean and free of any obstructions.
- Do not exceed the recommended diameter specifications during use.
- Do not force the Neck Bushing into the die; it should fit securely without excessive pressure.
- Use the product only for its intended purpose as specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading die is clean and free from debris.
- Insert the Neck Bushing into the reloading die, ensuring it fits snugly.
- Tighten the die according to the manufacturer's specifications to secure the bushing.

2. Usage:

- Adjust the die to the desired depth for neck sizing.
- Place the cartridge case into the reloading press and apply gentle pressure.
- Monitor the sizing process closely to ensure no excessive force is applied.
- After sizing, remove the cartridge case carefully and inspect for proper sizing.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling options.
- If the product is damaged, consult local waste management authorities for safe disposal methods.

Contact Information for Further Support
