

Neck Bushing ⌀12,7-7,90/.3110

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-7,90/.3110
- Manufacturer: TRIEBEL
- Product no.: EU2017697
- Mfr. No.: 3000240V-07.90
- Diameter mm: 12,7 / 7,90
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-07.90

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is manufactured from highquality hardened steel. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the proper handling, usage, and disposal of the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the bushing for any signs of damage or wear before use. Do not use if any defects are found.
- Keep the Neck Bushing out of reach of children and vulnerable individuals to avoid accidental injury.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling or using the Neck Bushing.
- Follow all local regulations and guidelines related to the use of reloading equipment and materials.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges or points on the bushing.
 - Risk of improper sizing leading to malfunction or accidents.
- **Avoiding Hazards:**
 - Always handle the bushing with care to prevent cuts or punctures.
 - Ensure that the bushing is properly installed in the reloading die before use.
 - Do not exceed the manufacturer's recommended sizing limits (12.7 mm to 7.90 mm).
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18. Adult supervision is required when used by inexperienced individuals.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is compatible with the Neck Bushing.
- Carefully insert the Neck Bushing into the die, ensuring it is seated correctly.
- Tighten the die according to the manufacturer's specifications to secure the bushing in place.

2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Insert the brass case into the die and apply even pressure to resize the neck.
- Monitor the process closely to ensure that the bushing is functioning correctly and that the brass is being resized uniformly.
- After use, remove the brass case and inspect it for any signs of damage or improper sizing.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal waste.
- Do not throw the bushing into regular household trash.
- If the bushing is damaged beyond repair, consider recycling it at a designated metal recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please consult the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for additional resources and support.

By following these safety instructions, you can ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to safety!
