Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing, a precision tool designed for neck sizing in reloading applications. This guide provides essential safety instructions and best practices to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Neck Bushing is used in accordance with the manufacturer's guidelines.
- Always inspect the product for any signs of damage before use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Do not use the Neck Bushing for any purpose other than its intended use.
- If you encounter any issues during usage, cease operation immediately and consult a professional.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling or using the Neck Bushing.
- Ensure that the work area is clean, welllit, and free from distractions.
- Avoid wearing loose clothing or jewelry that may get caught during operation.
- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended dimensions for neck sizing as specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Carefully insert the Neck Bushing into the die according to the manufacturer's instructions.
- Secure the bushing in place to prevent movement during operation.

2. Usage:

- Set up your reloading press in a stable position.
- Insert the case to be sized into the die, ensuring it is properly aligned.
- Operate the press smoothly to size the neck of the case.
- After sizing, remove the case and inspect it for proper sizing and any signs of damage.

3. PostUsage:

- Clean the Neck Bushing after each use to remove any debris or residue.
- Store the Neck Bushing in a dry, secure location away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing responsibly. If the product is damaged or no longer usable, follow local regulations for disposal of metal products.
- Do not dispose of the Neck Bushing in regular household waste if it can be recycled. Check with local recycling facilities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Always prioritize safety and consult professionals if you have any doubts or questions regarding its use.
