

Neck Bushing ⌀12,7-8,10/.3189

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,10/.3189
- Manufacturer: TRIEBEL
- Product no.: EU2017705
- Mfr. No.: 3000240V-08.10
- Diameter mm: 12,7 / 8,10
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.10

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. Please read this safety instruction guide carefully to ensure safe and effective use of the Neck Bushing. Following these guidelines will help you avoid potential hazards and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose, which is neck sizing in reloading processes.
- Always inspect the Neck Bushing for any defects or damage before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling and using the Neck Bushing.
- Be aware of your surroundings and ensure a clean and organized workspace to prevent accidents.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp edges may pose a risk of cuts.
 - Improper use can lead to misalignment and inaccurate sizing.
- **Avoiding Hazards:**
 - Handle the Neck Bushing with care, avoiding contact with sharp edges.
 - Ensure that the bushing is securely fitted into the reloading die to prevent misalignment.
 - Do not exceed the recommended sizing limits as specified by the manufacturer.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading die is clean and free from debris.
 2. Insert the Neck Bushing into the reloading die, ensuring it is seated properly.
 3. Tighten the die according to the manufacturer's specifications to secure the bushing in place.
- **Usage:**
 1. Place the cartridge case into the reloading press.
 2. Activate the press to perform neck sizing, ensuring that the bushing aligns properly with the case neck.
 3. Inspect the resized cases for consistency and accuracy.
 4. After use, remove the Neck Bushing from the die and clean it to maintain its performance.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling if possible.
- Do not dispose of the Neck Bushing in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or support regarding the Neck Bushing, please refer to the manufacturer's contact details provided with the product packaging. Always ensure that you have the latest safety information and updates.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Always prioritize safety and compliance with the EU General Product Safety Regulation. Thank you for your attention to these important guidelines.
