

Neck Bushing ⌀12,7-8,15/.3209

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,15/.3209
- Manufacturer: TRIEBEL
- Product no.: EU2017706
- Mfr. No.: 3000240V-08.15
- Diameter mm: 12,7 / 8,15
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.15

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the Neck Bushing for any signs of damage before use.
- Ensure that the product is used only for its intended purpose.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Follow all manufacturer instructions and guidelines during use and maintenance.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:**
 - The Neck Bushing is made from hardened steel and can cause injury if mishandled.
 - Avoid direct contact with sharp edges.
- **Personal Protective Equipment (PPE):**
 - Wear safety goggles to protect your eyes from metal shavings.
 - Use gloves to prevent cuts and abrasions during handling.
- **Work Environment:**
 - Ensure your workspace is clean and free from clutter.
 - Use the Neck Bushing in a welllit area to improve visibility.
- **Tool Compatibility:**
 - Confirm that the Neck Bushing is compatible with your reloading die setup.
 - Do not attempt to modify the Neck Bushing or use it with incompatible tools.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Inspect the bushing for any visible defects.
- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Ensure that the bushing is securely fitted and properly aligned.

2. Usage:

- Adjust the reloading die settings as needed for your specific reloading requirements.
- Use the Neck Bushing to size the neck of the cartridge cases as per your reloading procedure.
- Monitor the sizing process to ensure consistent results and avoid oversizing.

3. PostUse Care:

- Clean the Neck Bushing after use to remove any residue or debris.
- Store the Neck Bushing in a safe, dry place to prevent rust or damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local disposal facilities for guidance on metal recycling.

Contact Information for Further Support

For safety inquiries or further assistance, please consult the product documentation or reach out to the manufacturer directly.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the Neck Bushing responsibly.
