

Neck Bushing ⌀12,7-8,20/.3228

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,20/.3228
- Manufacturer: TRIEBEL
- Product no.: EU2017707
- Mfr. No.: 3000240V-08.20
- Diameter mm: 12,7 / 8,20
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.20

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing for your reloading needs. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before using the Neck Bushing.

General Safety Guidelines

- Always ensure that the Neck Bushing is compatible with your specific reloading die.
- Inspect the Neck Bushing for any signs of damage or wear before each use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Follow all local regulations and guidelines regarding the use of reloading equipment.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use protective eyewear when operating reloading equipment.
- Ensure your workspace is clean and free of obstructions to avoid accidents.
- Do not exceed the recommended dimensions when resizing cases with the Neck Bushing.
- Avoid using the Neck Bushing in wet or humid environments to prevent rust and corrosion.
- If you experience any unusual resistance or difficulty while using the Neck Bushing, stop immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation

- Ensure your reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the appropriate die.
- Tighten the die securely according to the manufacturer's instructions.

2. Usage

- Adjust your reloading press to the appropriate settings for neck sizing.
- Insert the case into the die and ensure it is seated properly.
- Operate the reloading press smoothly, applying consistent pressure.
- After resizing, carefully remove the case and inspect it for proper sizing.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the Neck Bushing is damaged or no longer usable, do not throw it in regular waste. Instead, contact your local waste management facility for proper disposal guidelines.

Contact Information for Further Support

For any questions regarding the Neck Bushing or safety concerns, please consult the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety while using the Neck Bushing. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
