

Neck Bushing ⌀12,7-8,25/.3248

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,25/.3248
- Manufacturer: TRIEBEL
- Product no.: EU2017708
- Mfr. No.: 3000240V-08.25
- Diameter mm: 12,7 / 8,25
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.25

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully. It complies with the EU General Product Safety Regulation (GPSR) and provides essential information regarding safe usage, installation, and disposal.

General Safety Guidelines

- Always inspect the Neck Bushing for any visible damage before use. Do not use if damaged.
- Use the Neck Bushing only for its intended purpose: neck sizing of cartridges.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Ensure a clean working environment to avoid accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Follow all manufacturer instructions for reloading dies and equipment compatibility.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Handle the Neck Bushing with care to avoid injury from sharp edges.
- Ensure that the bushing is correctly installed in the reloading die before use.
- Avoid excessive force during resizing to prevent equipment failure or personal injury.
- Do not exceed the recommended dimensions specified for the Neck Bushing.
- Be aware of potential hazards associated with reloading, including exposure to lead and other materials.
- Do not use the Neck Bushing with ammunition that has been modified or is not compatible with the specifications provided.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free of debris.
- Insert the Neck Bushing into the die, ensuring it fits snugly.
- Tighten any locking mechanisms to secure the bushing in place.
- Doublecheck that the bushing is correctly aligned before proceeding.

2. Usage:

- Prepare your cartridges according to the manufacturer's recommendations.
- Place the cartridge in the reloading press and engage the resizing operation.
- Apply steady and even pressure to resize the neck of the cartridge.
- Inspect the resized cartridge to ensure proper dimensions and fit.
- Remove the cartridge from the press and store it safely.

3. PostUse Care:

- Clean the Neck Bushing after use to remove any residue or debris.
- Store the Neck Bushing in a dry, safe place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable Neck Bushings following local regulations for metal recycling or hazardous waste.
- Do not dispose of the Neck Bushing in regular household waste.
- Check with local authorities for specific disposal guidelines in your area.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please consult the manufacturer's website or customer service resources. Ensure you have the product details ready for reference.

By following these guidelines, you can ensure safe and effective use of the Neck Bushing. Thank you for your attention to these safety instructions.
