

Neck Bushing ⌀12,7-8,28/.3260

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,28/.3260
- Manufacturer: TRIEBEL
- Product no.: EU2017710
- Mfr. No.: 3000240V-08.28
- Diameter mm: 12,7 / 8,28
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.28

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the Neck Bushing to understand the potential hazards and how to mitigate them.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose: precise neck sizing in reloading applications.
- Always handle the Neck Bushing with care to avoid injury.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use. Do not use if damaged.
- Follow all manufacturer instructions and recommendations for use and maintenance.
- Report any unsafe conditions or incidents involving the Neck Bushing to the appropriate authorities.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the Neck Bushing.
- Ensure that your workspace is clean, welllit, and free from distractions while using the Neck Bushing.
- Do not exceed the recommended specifications for the Neck Bushing.
- Avoid placing fingers or hands near moving parts during operation.
- Be cautious of sharp edges and ensure proper handling to prevent cuts or injuries.
- Store the Neck Bushing in a safe place when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Ensure that the Neck Bushing is properly seated and secure before proceeding.

2. Usage

- Prepare your brass cases for resizing by cleaning and inspecting them for damage.
- Insert the brass case into the reloading press and align it with the Neck Bushing.
- Operate the reloading press slowly and steadily to ensure even sizing.
- After resizing, remove the brass case and inspect it for proper sizing and any defects.

3. PostUse Care

- Clean the Neck Bushing after each use to prevent buildup of residue.
- Store the Neck Bushing in its protective case or designated storage area to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn Neck Bushings in accordance with local regulations.
- If the Neck Bushing is no longer usable, consider recycling the material if applicable.
- Do not dispose of the Neck Bushing in regular household waste if it can be recycled or if it poses a safety

hazard.

Contact Information for Further Support

For any inquiries regarding the Neck Bushing, including safety concerns or product support, please refer to the manufacturer's contact information provided with the product packaging or on their official website.

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Thank you for your attention to safety, and happy reloading!
