

Neck Bushing ⌀12,7-8,30/.3268

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,30/.3268
- Manufacturer: TRIEBEL
- Product no.: EU2017712
- Mfr. No.: 3000240V-08.30
- Diameter mm: 12,7 / 8,30
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.30

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing from TRIEBEL. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before using the Neck Bushing to understand its features, potential hazards, and the necessary precautions to take.

General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is neck sizing in reloading applications.
- Always follow the manufacturer's instructions and guidelines for safe operation.
- Store the Neck Bushing in a secure place away from children and unauthorized users.
- Regularly inspect the Neck Bushing for any signs of wear or damage before each use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling or using this product.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the Neck Bushing is compatible with your reloading dies.
- Do not exceed the recommended specifications for the Neck Bushing to avoid malfunction or injury.
- Keep hands and other body parts clear of moving parts during operation.
- Do not attempt to modify or alter the Neck Bushing in any way.
- Ensure proper ventilation when using the Neck Bushing in a confined space.
- If using power tools, follow all safety guidelines provided by the tool manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is clean and free from debris.
- Insert the Neck Bushing into the die according to the manufacturer's instructions.
- Tighten the die securely to ensure proper alignment and function.
- Doublecheck the setup before proceeding with neck sizing.

2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Insert the brass case into the reloading press with the Neck Bushing attached.
- Operate the press smoothly and steadily to achieve uniform neck sizing.
- Inspect each case after sizing to ensure it meets your specifications.
- Clean the Neck Bushing after use to maintain its precision and longevity.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.
- If the Neck Bushing is damaged beyond use, consider recycling the material where possible.

Contact Information for Further Support

For any inquiries regarding safety concerns or product issues, please refer to the manufacturer's contact details

provided with your purchase. It is essential to have access to support for any safetyrelated questions or concerns.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Neck Bushing. Always prioritize safety and adhere to the guidelines outlined in this manual. Thank you for your attention to these important safety measures.
