

Neck Bushing ⌀12,7-8,35/.3287

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,35/.3287
- Manufacturer: TRIEBEL
- Product no.: EU2017715
- Mfr. No.: 3000240V-08.35
- Diameter mm: 12,7 / 8,35
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.35

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing made from highquality hardened steel. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose, which is precise neck sizing.
- Always inspect the Neck Bushing for any visible damage or defects before use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Neck Bushing.
- In case of any malfunction or unusual behavior during use, stop using the product immediately and consult a professional.

Specific Safety Precautions for Use

- Only use the Neck Bushing with original reloading dies from Triebel Waffenwerkzeuge to ensure compatibility and safety.
- Do not attempt to modify or alter the Neck Bushing in any way.
- Avoid using excessive force when inserting or removing the Neck Bushing to prevent injury or damage.
- Ensure that the work area is clean and free of obstructions to prevent accidents.
- Do not use the Neck Bushing if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring it fits snugly.
- Tighten the die according to the manufacturer's instructions to secure the Neck Bushing in place.

2. Usage:

- Place the cartridge case in the reloading press.
- Operate the press slowly and steadily, applying even pressure to resize the neck of the cartridge case.
- After resizing, check the neck dimensions to ensure they meet your specifications.
- Remove the cartridge case from the press and inspect it for any signs of damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not dispose of the Neck Bushing in regular household waste.
- If the Neck Bushing is damaged or no longer in use, consider recycling it at a designated recycling facility.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Neck Bushing, please contact the manufacturer or your local distributor. They can provide additional support and information related to product safety and usage.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Always prioritize safety and consult professionals if you have any doubts or questions regarding the use of this product. Thank you for your attention to these important safety guidelines.
