

Neck Bushing ⌀12,7-8,40/.3307

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: [Neck Bushing ⌀12,7-8,40/.3307](#)
- Manufacturer: [TRIEBEL](#)
- Product no.: EU2017719
- Mfr. No.: 3000240V-08.40
- Diameter mm: 12,7 / 8,40
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.40

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the Neck Bushing to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose, which is precise neck sizing in reloading applications.
- Always inspect the Neck Bushing for any signs of wear or damage before use. Do not use a damaged or worn bushing.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all local regulations and guidelines related to reloading and handling ammunition components.
- Be aware of your surroundings when using the Neck Bushing to ensure a safe working environment.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses and gloves, when handling the Neck Bushing and working with reloading equipment.
- **Handling:** Handle the Neck Bushing with care to avoid injury. The edges may be sharp, and improper handling may result in cuts or other injuries.
- **Storage:** Store the Neck Bushing in a dry, secure location when not in use. Avoid exposure to moisture or extreme temperatures.
- **Use with Compatible Equipment:** Ensure that the Neck Bushing is used with compatible reloading dies from Triebel Waffenwerkzeuge to maintain safety and effectiveness.
- **Avoid Forceful Use:** Do not apply excessive force when using the Neck Bushing, as this may lead to equipment failure or personal injury.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Remove any existing bushing from the reloading die.
- Carefully insert the Neck Bushing into the die, ensuring it is seated properly.
- Tighten the die according to the manufacturer's specifications to secure the bushing in place.

2. Usage:

- Prepare your brass casings for neck sizing by cleaning and inspecting them.
- Insert the brass casing into the reloading press according to the manufacturer's instructions.
- Operate the reloading press smoothly and steadily to achieve precise neck sizing.
- After use, clean the Neck Bushing to remove any residue or debris.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- If the Neck Bushing is damaged or no longer usable, consider recycling it at a designated recycling facility.
- Do not dispose of the Neck Bushing in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please contact the manufacturer or your local distributor. Ensure you have the product information on hand for reference.

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Thank you for your attention to these important guidelines.
