

Neck Bushing ⌀12,7-8,43/.3319

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,43/.3319
- Manufacturer: TRIEBEL
- Product no.: EU2017722
- Mfr. No.: 3000240V-08.43
- Diameter mm: 12,7 / 8,43
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.43

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This guide provides important safety instructions, usage guidelines, and disposal information to ensure your safe and effective use of this product. Please read this document carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing in reloading applications.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the product.
- Keep the product out of reach of children and pets to prevent accidents.
- Inspect the Neck Bushing for any signs of damage or wear before each use. Do not use if damaged.
- Follow the manufacturer's instructions for use and maintenance to avoid potential hazards.

Specific Safety Precautions for Use

- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Ensure that the bushing is properly installed in the reloading die before use.
- Avoid applying excessive force when sizing cases to prevent damage to the bushing or the die.
- Do not exceed the recommended specifications for the bushing, including diameter and material compatibility.
- If you experience any difficulty during operation, stop immediately and consult the troubleshooting section of the reloading die manual.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the designated area of the reloading die.
- Secure the bushing according to the manufacturer's instructions, ensuring it is tightly fitted.

2. Usage:

- Prepare your cases according to standard reloading practices.
- Place the case into the reloading die with the installed Neck Bushing.
- Operate the reloading press smoothly and steadily to size the neck of the case.
- After sizing, remove the case and inspect it for proper sizing and any signs of damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal recycling.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, ensure it is properly recycled or disposed of to prevent environmental harm.

Contact Information for Further Support

For any inquiries regarding the Neck Bushing, please contact the manufacturer's customer service or visit their

official website for additional resources and support.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the Neck Bushing. Thank you for your attention to these important safety measures.
