

Neck Bushing ⌀12,7-8,46/.3331

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,46/.3331
- Manufacturer: TRIEBEL
- Product no.: EU2017725
- Mfr. No.: 3000240V-08.46
- Diameter mm: 12,7 / 8,46
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.46

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, designed for precise neck sizing. This guide provides essential safety information and instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure safe use of the Neck Bushing by following these guidelines:
 - Always use the product as intended and according to the manufacturer's instructions.
 - Keep the product out of reach of children and vulnerable individuals.
 - Regularly inspect the Neck Bushing for damage or wear before each use.
 - Do not use the Neck Bushing if it appears damaged or malfunctioning.
 - Report any unsafe product incidents or accidents to the relevant authorities.

Specific Safety Precautions for Use

- To avoid potential hazards, please observe the following precautions:
 - Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Neck Bushing.
 - Ensure that the work area is clean, dry, and free from obstructions.
 - Do not exceed the specified diameter limits (12.7 mm / 8.46 mm) during use.
 - Avoid applying excessive force when resizing to prevent damage to the bushing or reloading dies.
 - Handle the Neck Bushing with care to avoid cuts or injuries from sharp edges.

Instructions for Installation and Usage

- Follow these steps for correct installation and usage of the Neck Bushing:
 1. Ensure that the reloading die is clean and free from debris.
 2. Insert the Neck Bushing into the reloading die, ensuring it is seated correctly.
 3. Adjust the die according to the manufacturer's instructions for your specific reloading setup.
 4. Begin the neck sizing process by following the reloading die's operation instructions.
 5. After use, remove the Neck Bushing from the die and clean it to maintain its precision and longevity.

Disposal Instructions

- Dispose of the Neck Bushing responsibly:
 - Do not dispose of the product in household waste.
 - Check local regulations for proper disposal methods for metal products.
 - Consider recycling options if available in your area.

Contact Information for Further Support

- For any safety inquiries or further support, please contact your local distributor or the manufacturer directly. Ensure you have your product details available for reference.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Neck Bushing for your reloading needs.
