

## Neck Bushing &#x2300;12,7-8,50/.3346

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

### Attributes

- Name: Neck Bushing &#x2300;12,7-8,50/.3346
- Manufacturer: TRIEBEL
- Product no.: EU2017728
- Mfr. No.: 3000240V-08.50
- Diameter mm: 12,7 / 8,50
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.50

# Safety Instruction Guide for Neck Bushing

## Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the Neck Bushing for any signs of damage or wear before use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Follow all local regulations and guidelines regarding the use of reloading equipment.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use protective eyewear when handling or using the Neck Bushing to prevent injury from debris or particles.
- Ensure that the reloading equipment used with the Neck Bushing is compatible and in good working condition.
- Avoid using excessive force when resizing to prevent damage to the bushing or the equipment.
- Do not exceed the manufacturer's recommended specifications for sizing.
- Always work in a wellventilated area to avoid inhaling any dust or particles generated during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment before starting.
- Ensure that your workspace is clean and organized.

### 2. Installation:

- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Secure the bushing in place to prevent movement during operation.

### 3. Usage:

- Place the case to be resized into the reloading press.
- Operate the press slowly and steadily to resize the neck of the case.
- Inspect the resized case for proper dimensions and any signs of damage.
- Remove the case carefully and clean the Neck Bushing after each use to maintain its performance.

### 4. PostUsage:

- Store the Neck Bushing in a safe and dry place when not in use.
- Regularly check the bushing for wear and replace it if necessary.

## Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or unusable.

- Consider recycling the material if possible, following your local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or support regarding the Neck Bushing, please reach out to the appropriate contact point provided by the manufacturer. Ensure that you have your product details ready for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Neck Bushing. Thank you for prioritizing safety in your reloading practices.
