

Neck Bushing ⌀12,7-8,51/.3350

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,51/.3350
- Manufacturer: TRIEBEL
- Product no.: EU2017729
- Mfr. No.: 3000240V-08.51
- Diameter mm: 12,7 / 8,51
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.51

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide. Your safety and satisfaction are our top priorities.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the Neck Bushing for any signs of damage or wear before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling the product.
- Keep the Neck Bushing out of reach of children and pets to prevent accidents and injuries.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended sizing dimensions to avoid damage to the bushing or your reloading equipment.
- Ensure that the bushing is securely fitted in the reloading die before use.
- Avoid using excessive force during operation, as this may lead to product failure or injury.
- Always follow the manufacturer's guidelines for reloading procedures when using the Neck Bushing.
- If you experience any unusual noises or resistance during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring it fits snugly.
- Tighten any locking mechanisms according to the manufacturer's instructions to secure the bushing in place.

2. Usage:

- Prepare your brass cases for neck sizing according to standard reloading practices.
- Insert the brass case into the reloading die with the Neck Bushing installed.
- Apply even pressure to the press handle to size the neck of the case.
- Inspect the sized cases for uniformity and ensure they meet the desired specifications.

3. PostUse:

- Clean the Neck Bushing after use to remove any residue or debris.
- Store the bushing in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- Do not throw the bushing in regular household waste. Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided with your product packaging. Ensure that you have the product details on hand for a more efficient support experience.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with the Neck Bushing.
